

## Covenant Children's Donation Guidelines:

- To prevent spreading germs to keep our patients happy and healthy, **all donated items must be new.**
- Media items must have a rating suitable for all ages (no rated "R" movies or rated "M" videogames).
- We do not distribute toys that might be perceived as violent (guns, swords, bows and arrows, etc.).
- Please do not gift wrap your donation. This makes it easier for us to match items with the right child.
- We cannot accept food, candy, handmade items, latex balloons or riding toys.
- Due to privacy, safety and infection control policies, **gifts may not be delivered directly to patients.**
